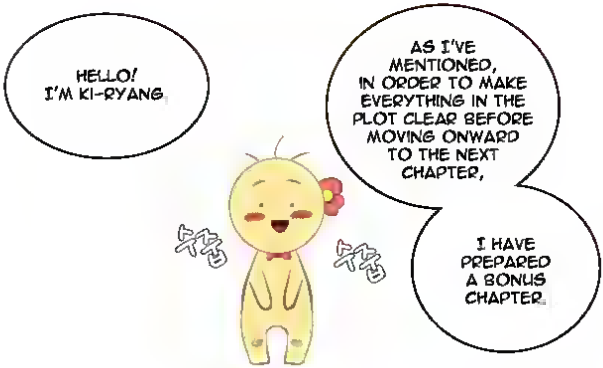
★ Summary and Bonus Chapter ★

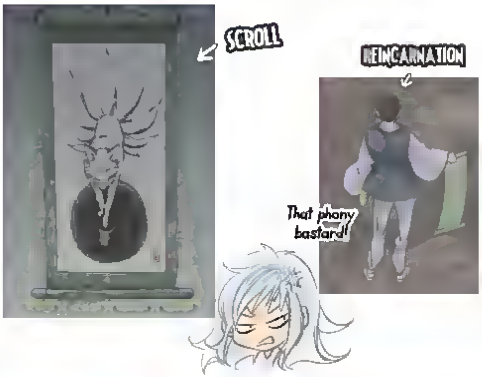


HELLO!
I'M KI-RYANG
AS I'VE MENTIONED, IN ORDER TO MAKE EVERYTHING IN THE PLOT CLEAR BEFORE MOVING ONWARD TO THE NEXT CHAPTER,
I HAVE PREPARED A BONUS CHAPTER.

WOW!
AN AWESOME BONUS CHAPTER!!
. IS WHAT I WANTED TO MAKE, BUT DUE TO A LACK OF SKILLS AND IDEAS, IT TURNED OUT SO-SO.
I guess that's my limit...
IT'S ONLY SO-SO, BUT STILL, PLEASE ENJOY...
sigh
sigh

First, a summary of the story up to this point

1. In order to free himself, a fox trapped in a scroll has to find the reincarnation that comes after a thousand years.



2. The fox automatically enters into a contract with a god, if the owner of the scroll—the shaman house descendant—receives a god. This means the fox won't be able to escape from the scroll even if he finds the reincarnation. That's why he has to find the reincarnation before this happens.

3. There are many other people looking for the reincarnation, too. Those who cannot become either a god or a human need to find the reincarnation to fulfill their goals.

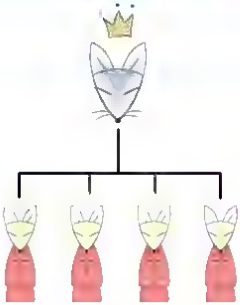
The number of people looking for the reincarnation keeps increasing.

Banya is really busy.

GET RID OF THOSE UNNECESSARY THINGS AND BRING OUT THAT BASTARD!
No!
How can you treat me like this? I can make you live in that scroll forever!
What did you say?!

The Fox world.

Simply put, it's made up of the clan leader and the four Eldens under him.



It's so simple that it's almost embarrassing.

Leader - The Head
He's basically a king. The representative of the community and such. Leaders are chosen randomly. You need the sign to become the Leader.

Elders - Four in total
I originally wanted five to symbolize the directional colors*, but I read on Naver that a Ninetail's properties have the four elements as base. So I used four Elders who each have the power of water, fire, earth and air.

*Note. Directional colors are the colors given to North, South, East and West, as well as the center. These colors are black, red, blue, white and gold, respectively.

Since they haven't appeared yet, I'm just letting you know the basics.

Next are some questions that you all seem to wonder about the most.

Q. What does Banya's name mean?

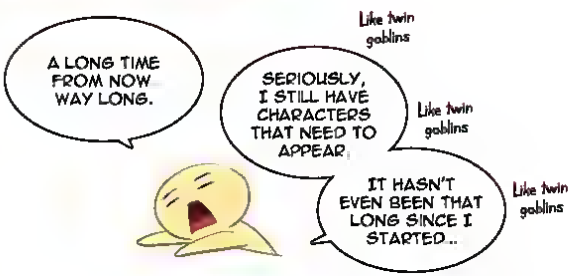
Banya — One of the Four Noble Truths in Buddhism. It signifies wisdom.

*[T/N] That's what it is in Korean. **Banya Simgyeong.***

It turns out that a Buddhist monk named Banya in myths and folktales, Buddhist monks are portrayed as the Ninetail's archenemy. So, a monk captured and named Banya... That's how it all started!

※ Just letting you know that the monk that named Banya is not the same monk who caught him.

Q. When will this story end?

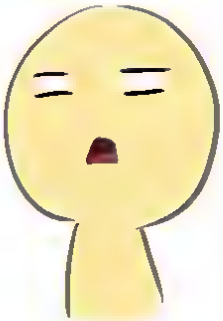


A LONG TIME FROM NOW WAY LONG.
Like twin goblins
SERIOUSLY, I STILL HAVE CHARACTERS THAT NEED TO APPEAR.
Like twin goblins
IT HASN'T EVEN BEEN THAT LONG SINCE I STARTED..
Like twin goblins

Even though I have a specific number of chapters in mind (based on the plot and amount of art), there is room for error in my calculations. So I can't exactly say when it will be done, but I am trying to finish it within the number of chapters I've estimated.

Until then, please enjoy. >_<

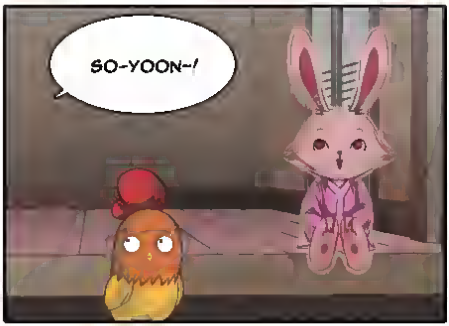
Q. Please undress Banya!!

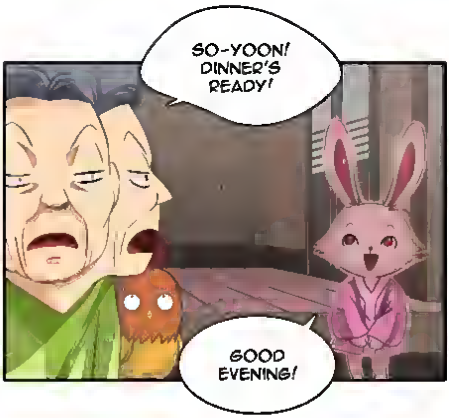


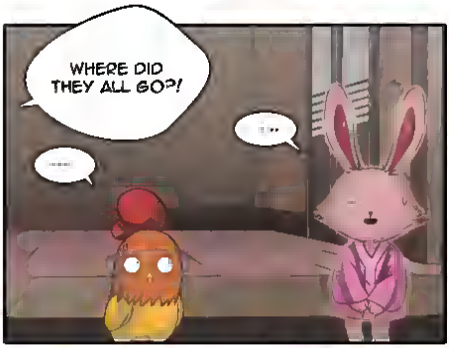
I wanted a small QnA, and chose questions from the blog. But a lot of the answers would be spoilers. So I will post those on another occasion. Thanks to all of you who asked questions!

GREETINGS

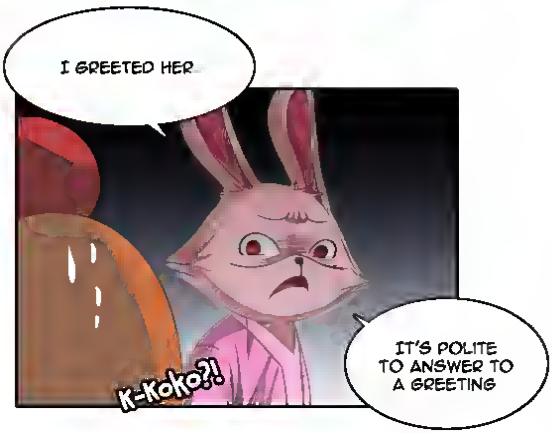
While So-Yoon and the rest went to look for the pestle...





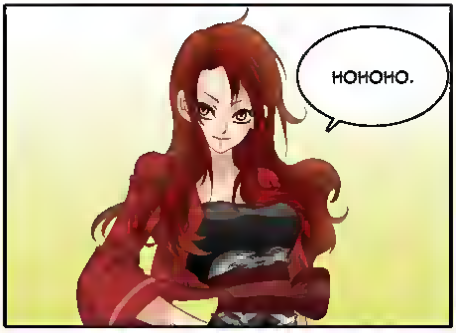


CAN'T BE SEEN BY ORDINARY PEOPLE



APPEAL

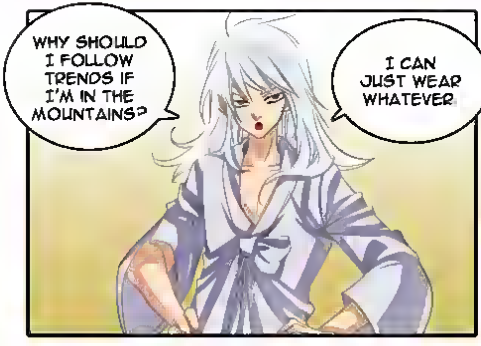
The Fire Fox symbolizes sexuality.
It is said that they normally have more sex appeal than White Foxes.

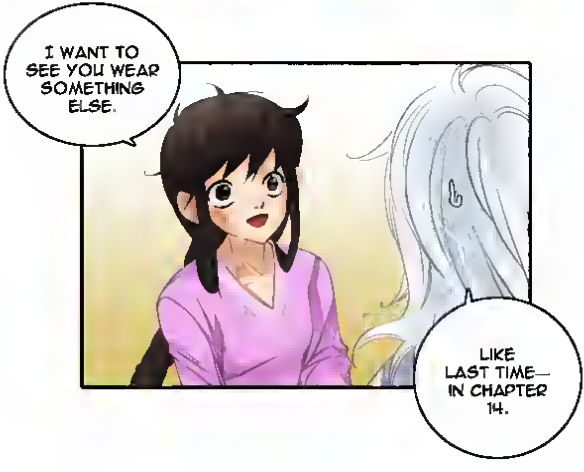


T/N: A jeogori is sort of like the shirt/jacket of a hanbok, which is a traditional Korean garment.

BANYA'S CLOTHES

Since he lives in the mountains,
Banya naturally started wearing a hanbok.

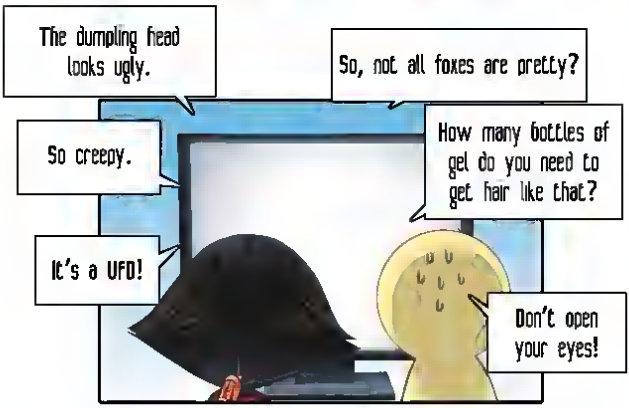




NOT LIKE THAT. SOMETHING MORE NORMAL.
LIKE WHAT? NO. IT'S A HASSLE.
IF IT'S A HASSLE, I COULD HELP YOU PUT IT ON.
?!
You're pulling on a man's clothing!! So-Yoon, I didn't raise you to be like that!
RIP

Moo-Ui's Situation.

Due to his rather peculiar hairstyle, Moo-Ui received quite a bit of the author's love(?)



The dumpling head looks ugly.
So, not all foxes are pretty?
So creepy.
How many bottles of gel do you need to get hair like that?
It's a UFO!
Don't open your eyes!

THAT'S RIGHT! JUST CHANGE YOUR HAIRSTYLE A BIT!
Then it'd totally a different character!
You stupid geezer!
